Randy,

Also, when trading history and getting the record straight, you might want to include Tom Marshall in your e-mail list. He wrote "The Price Of Exit" a really good book and he is currently working on a Lam Son 719 book. He has tons of info to share and you will find him to be most valuable. His addy is above.

Tom, Randy is an L Co 75th Ranger type...they were a part of the 2/17 in "Nam, and he is putting his unit's story together.
