That all promises made to me are contained in items 3, 37, 48, 54, or 56 of the DD Form 4, my enlistment contract.

That I have not been guaranteed technical school training unless the title of the school course has been entered in item 48, DD Form 4.

That should there be any material omission or misstatement of fact in connection with any of my enlistment documents, I agree to accept any assignment in accordance with the needs of the Army and will complete the period for which I enlisted.

That my choice of initial assignment shown in item 48, 54 or 56 of the DD Form 4 does not constitute any guarantee that my entire enlistment will be served on that initial assignment. That military necessity may make it necessary to effect my reassignment at any time to any other assignment within the continental United States or overseas command.

That should my enlistment involve a commitment for a school course or a commitment for specialized training or a selected assignment, conduct on my part which occurs subsequent to my enlistment and which involved disciplinary action could cause me to be reassigned to any other assignment within the continental United States or an overseas command.

That if my enlistment is for airborne and in the event I fail to qualify for airborne duty subsequent to enlistment, i.e., satisfactory completion of required training; attaining the standards for Physical Fitness Test, or for existing medical reason I will not be offered another assignment choice but will be reassigned in accordance with the needs of the Army.
