MEMORANDUM FOR: DBC COL Boehm

SUBJECT: Realignment of Command Structure, 214th Combat Aviation
Battalion (U)

1. (C) As I indicated to you, I did discuss this matter with CG, II FFORCEV. His specific statement was that, "he did not want to be mean about the matter; however, he wondered what improvement in support would be achieved." He said that, "everything was going well right now and with the possibility of the 214th someday supporting the entire 9th Division, he really didn't see anything to be gained." I have no back-ground on that last statement.

2. (C) You wanted a feel and that's the best I can do. Since the realignment has been under consideration for so long, I recommend we sit tight and see what happens as a result of "Midway."
