SUBJECT: Memo for Record

For telecon with LTC Stephenson 17th Combat Aviation Group S-3. 17th Combat Aviation Group will assign an additional UH-1H to the 281st to support ROK training requirements. The aircraft was originally scheduled to be assigned to the 129th Assault Helicopter Company, due to distances involved and resulting dead blade time, the aircraft will be assigned to the 281st Assault Helicopter Company for approximately six months. Daily requirements to support ROK training will be two slicks. 281st Assault Helicopter Company will be tasked to support requirements. If additional crew is required notify Group S-3 who in turn will attempt to have crew assigned.

Called COL Stephenson 8 March 1015
He will coordinate with GP1 for crew
