

Dear Bill:

I am responding to your request for information on pilots who made Med Evacs in Vietnam.

While a member of the 117th Aviation Co in '63 and '64, I made several Med Evacs. Only two were memorable enough to recall. The accompanying "hostile fire" may have had something to do with making those missions memorable.

Attached are my recollections of Med Evacs at Boun Mi Gar and during operation SURE WIND 22, west of Quang Ngai.

Best Regards,
