1. Reference: OR-LL, 17th Avn Gp (Cbt):

Paragraph 20(1), page 13, discusses the feasibility of six months extensions for the purpose of U-21 transition.

requests for extension to transition into U-21's are being carefully screened to assure that only aviators with extensive fixed wing and multiengine experience are being accepted. Aviators with little or no experience and background in multiengine aircraft will not be extended if their request for extension is predicated on U-21 transition.
