### 155TH ASSAULT HELICOPTER COMPANY "SECURITY"

The primary responsibility for physical security and defense of the 155th Assault Helicopter Company is the 52d Security Platoon.

The Platoon is comprised of 30 enlisted men, three E-5's, a platoon Sgt. and Security Officer as acting platoon leader. The platoon provides 24 hour security for the compound. To accomplish this the security platoon will occupy and maintain 4 observation bunkers, 4 mortar firing positions, 3 infra-red light towers, 3-50 caliber positions and 2 gates. In addition the platoon has besides each individual weapon 6-M79's and 6-M60's.

The security platoon will additionally furnish observations posts, listening posts and patrols as deemed necessary by the Commanding Officer.

To augment the security platoon we have the 212th MP Co K-9 Detachment which has 3 patrols nightly.

In addition the mission of providing a reserve reaction force for the defense of the Ban Me Thuot City Airport complex has been assigned to the 3d Battalion, 45th regiment of the 23d ARVN Infantry Division.
