1. Attached ORIL has been reviewed and the following comment is submitted:
Reference item concerning "TBO Items Received Without DA Form 2410", page 11,
para 2f(1). APMC was notified of the alleged discrepancy and representatives
of that organization are not aware of a problem relating to missing DA Form
2410's on TBO items. When a unit receives a TBO item with a DA Form 2410
missing a DD Form 6 (Report of Packaging and Handling Deficiency) should be
submitted. The submission of DD Form 6 puts the problem into Logistics channels
and tracer action can be accomplished to determine where the breakdown occurred.

2. Concur with all other paragraphs and command action.
