Dear Bill,

Merry Christmas and Happy New Year!!

Just a little "status report" on the 7/17 material for the History Section of the 1992 VHPA Directory.

- 1.) Enclosed are copies of 2 letters I've sent concerning photos and other material we will need.
- 2.) Enclosed is a list of all the 7/17 related unit histories I now have. If you have or get one that I don't have, please let me know ASAP. I'm going to ask Mike Sloniker to help me find some others. Might you have a unit history from F/8 Cav?
- 3.) Enclosed is a list of people and positions that I started. Might you be able to add to any of these?
- 4.) Did you ever send that letter to all the 7/17th guys yet? If so what feed back have you received?
- 5.) I've started on the narrative part; but I am not certain what style to use. I don't know if it would be better to just set the stage for whatever stories we have from the membership or to repeat big pieces of the unit histories? Do you have any suggestions?

Thanks for all you do for VHPA.

  
Mike Law, Vice President and Directory Editor
