

229th AHB
1st CAVALRY DIVISION(AM)
COMPANY 'C' ROLL CALL

REUNION '93

The "Stacked Deck" battalion is gearing up for a Summer '93 assault on the city of Killeen, Texas; just outside of Fort Hood new home of the 1st CAV. So pull out & dust off all those photos, memories and friendships that we've kept stored away for to long, and reunite with our ex "Skysoldier" comrades.

We're also trying to put together a listing of as many 229 members as we can find. If you've kept in touch with any others who served, please send me their names and addresses. Sources to check are your CAV papers; orders, promotion lists and commendations will have names and social security numbers. We can use this information to build on.

Please fill out and return to the address listed below.
