# ARVN AIDMEN LOAD CASUALTY

SOC TRANG, RVN--Army of the Republic of Vietnam (ARVN) aidmen rush a casualty to a waiting ambulance after the U. S. Army's 82nd Medical Detachment (Helicopter Ambulance), more commonly known as "dustoff," brought the patient from an ARVN operation near here.

The seven medical evacuation helicopters of the 82nd support all ARVN soldiers in the Delta which include the 21st, 9th and 7th Divisions.

"Dustoff" also supports all U. S. advisory groups, Special Forces camps and four helicopter assault companies, the 121st and 336th at Soc Trang and the 175th and 116th at Vinh Long, 50 miles north.

The 82nd, part of the Mekong Delta Army Aviation team, covers more than 12,000 sq. miles of Vietnam's IV Corps area. (U. S. ARMY PHOTO)
