

Dear CW2 Konek:

On November 12, 1991 you wrote a letter asking for information under the Freedom of Information Act (FOIA) concerning specific helicopter mishaps in Vietnam.

Enclosed is a redacted copy of the mishaps which meet the criteria of your request. This redacted copy includes the factual information contained in the original report and excludes those portions containing subjective evaluations, opinions and speculation as they are exempt from release under 5 U.S.C. 552(b)(5).

The government has a legitimate interest in withholding those portions of the report containing subjective evaluations because these investigations are conducted solely to prevent the loss of life and property. The limitation we impose on the release of these personal opinions and speculations encourages an open, frank and honest discussion of the events surrounding mishaps leading, in turn, to safer operations for Navy and Marine personnel worldwide.

Because your request has been partially denied, you have the right to appeal this determination in writing to the designee of the Secretary of the Navy under the above statute. Address your appeal to:

Judge Advocate General (Code 34)
Navy Department
200 Stovall Street
Alexandria, VA 22332-2400

The appeal must be received in that office within 60 days from the date of this letter. We recommend the letter of appeal contain a copy of this correspondence and bear the notation "Freedom of Information Act Appeal," both on the envelope and on the letter itself.

The official responsible for the partial denial of your request is:

J. H. Finney
Rear Admiral, U.S. Navy
Commander, Naval Safety Center

The cost to process your request does not meet the threshold of minimum charges allowable and therefore the fee is waived.

Sincerely,

J. H. FINNEY
Rear Admiral, U.S. Navy
Commander
