SUBJECT: Letter of Commendation

TO: Commanding Officer  
8th Transportation Company  
APO 38, US Forces

1. The importance of General Le Van Ty's letter commending the 8th Transportation Company for its performance of duty cannot be overestimated. General Ty's position as Chief, Joint General Staff of the Republic of Vietnam Armed Forces, corresponds to our government's highest military position, that of Chairman of the Joint Chiefs of Staff; and, in this position, General Ty is reflecting the praise of the highest military office of the Vietnamese Government, an honor which is seldom bestowed on a company size unit.

2. Such praise is indicative of the splended performance of your unit and of the professional competence of your officers and men.

3. I desire that the contents of the basic letters and attached indorsements be disseminated to all personnel involved in these operations.
