Attn: Historical Committee

I have located the Flight Class graduation Exercise Booklet for Flight Class WORWAC 64-7W, and I am inclosing a copy for the VHPA records. We wore green hats both at Ft. Walters and Ft. Rucker. I noticed that the hat color was missing for our class in the directory.

Sincerely,

A handwritten signature in black ink, appearing to read "Bill Staubach". The signature is fluid and cursive, with a long horizontal line extending to the right.
