SUBJECT: Monthly Civic Action Report

9. Significant problems encountered which hinder or render less effective the civic action programs conducted within the province, e.g., attitudes of local, district, and province officials and people; availability of commodities and equipment to accomplish projects:

No problems were encountered.

10. Beneficial results of civic action, to include increased cooperation of people with GVN agencies, furnishing of intelligence information by the people and evidence of effective organization of the people in their own behalf in cooperation with GVN and US/FWMAF:

Population becoming more cooperative with military forces.

11. Description of specific civic action projects considered to be particularly effective and reasons for success to include methods employed:

A dispensary in Oia Rai, Long Khanh Province, was opened the month of August. Material furnished by 3d Squadron, 11th Armored Cavalry Regiment. Labor furnished by local people.

12. Selected civic action projects having particular human interest appeal making them suitable for publication:

Dispensary described in 11, above, was dedicated to a Vietnamese child killed by a US unit in the area during August.

Projects to support Children's Tet were conducted in Binh Long and Binh Duong Provinces.
