38th Annual Meeting
June 21-24, 2007
Hilton Crystal City Hotel
Arlington, Virginia

IN MEMORY OF

CAPTAIN CRAIG ALLEN PAUL, USAF

His B-52 was shot down December 20, 1972 in North Vietnam. He so loved America that he served honorably and gave his life so that we may remain proud and free. Sandi Paul, Mother

The Ohio Chapter MIA/POW

thanks the **National League of POW/MIA Families** for always generating responsible public awareness to help achieve the fullest possible accounting for those still POW or MIA.

We are grateful for all those who support our missing men and their families whether by holding awareness events, flying the flag, wearing a POW/MIA bracelet or patch, or putting our logo on their vehicles.

We especially thank Melanie Troxel, Evan Knoll, Bobby Bennett and all those associated with **Torco Race Fuels** for carrying our logo in all their races this year.

The 82 Ohioans still missing from the Vietnam War, and those whose families live in our state, are always in our thoughts and prayers, as are

Staff Sergeant Keith "Matt" Maupin, USAR, from Batavia, Ohio
POW in Iraq in Operation Iraqi Freedom
and

Captain M. Scott Speicher, USN
POW in Iraq from the Gulf War

We thank God for all the dedicated people working this issue, both within the government and without, and we ask Him to watch over all those currently serving our nation in so many areas of the world.

We will never forget!

GOD BLESS AMERICA!

Bring Me Back To The World

*What did you do today, my friend,
From morning until night?*

*How many times did you complain,
"The rationing is too tight?"*

*When are you going to start to do
All the things you say?*

*A Marine would like to know, my friend,
What did you do today?*

*We met the enemy today
And took his trail by storm;
Happy reading it will make
For you tomorrow morn.*

*You'll read with satisfaction
What the press had to say.*

*We fought, but are you fighting?
What did you do today?*

*Hill 891, Marines died for their country today,
I see their young faces yet.*

*Your neighbor's wounded boy gave out
A cry for help I can't forget.*

*In the valley where "The Walking Dead" was hit,
A flash, and then their screams.*

*The stench of burning human flesh,
Dear God, please let this be a dream.*

*What did you do today, my friend,
To help us with the task?*

*Did you work harder and longer for less,
Or is that too much to ask?*

*What right have I to ask you this
You probably will say?*

*Maybe now you'll understand, my friend,
You see...I'm Missing in Action today.*
