30	2140		D Co: The radar at tower # 7A will be out of operation for the next hour due to mechanical trouble which will take that long to repair.			J,S,DIV		JF
31	2200		Sit Rep/Neg			J,S		BC
32	2250		Pm Div LRRP Tm # 3: Went into LZ at coords 55504 on 23 Apr at 1915 hrs and then made a commo check at 1925 hrs on 23 Apr. Moved to the east and heard movement to their right flank and 1 left rear estimated to be 5 to 10 individuals the LRRP moved until 2300 hrs attempting to lose them. The LRRP would move short distances and stop and movement stopped move again and individuals would move. They'd stopped at 2300 hrs and until 0200 hrs movement stopped and then started again to the north south and east individuals appeared to be on high ground to their east. At 0500 the Tm started moving again staying in the same general area. In individuals started following them appeared to be 10 meters away from their location they also heard the beat of a weapon also heard what sounded like a sling hit against a weapon and individual passing his wind. Continued to
