58	1830	E Co and CCe up on malaria.						
59	1845	Read out to A Co 1-6 element finding ceerd 352838 found trail running East on the trail that came to a fork with one fork going South East and the other North East. At this fork was a "V" shaped fighting position 2x3x5 feet negative overhead cover. East of this fork they found a cooking area and several pots and pans. East of this cooking area was a hootch, made of bamboo 15x40 feet. North of this hootch was another hootch 10x20 feet. South East of the fork was a water well 30 feet deep. South East of the water well was a bunker 2x3x5 feet with 1 1/2 feet of overhead cover. East of the bunker was an eating area with tables. There was a trench line 100 meters long North East of the fork. This complex was old but did show recent use it appeared that the enemy were trying to rebuild this complex.	Bde	JS JM			JS JM
