45.	2350			RR 1/6 and PI. At 2330, 2340H Ram Rod 1/6 and Pig Iron 6 reported that the artillery was far to close to their NL, infact the rounds would have been droped or added 100 meters it would have blown them away. They both complain it being too close. Reported hearing 15-20 rounds. Both E/Co 1/6 and B/Co 6 believe this is artillery. B/Co 6 said he heard 03 more rounds hit N and NW of NL. Sounded like artillery 800 meters out. Informed us he heard it about a hours ago when 65 called for a 2 O'Clock situation report. Passed to Bde.	MP
