14.	1115		Bde S-3/Bn S-3: Bde CO has indicated the desire that all Battalions will submit not later than 1200H on 23 June a list of enemy targets that will be denied the enemy. These denial targets such as enemy locations, bridges and roads will be destroyed and their grid coordinate location will be recorded by Battalion then sent to Bde. Bde CO wants all companies in each Bn to get busy in destroying these prime target areas to deny the enemy future access to these facilities. Once the Cav retrogrades Cambodia back into Vietnam, anything that battalions will require in the line of demolition, to accomplish the mission in the destruction of these areas can be had through Bde S-3 channel.
