Dearest Mom & Dad,

I will write you a few lines tonight. I got in at 12:05 today. We got a real nice place to stay at.

Thanks for sending the stuff for the X-mas tree. I sure do appreciate it.

We're going around the Island on a tour about the 3rd day. We went down on the beach tonight & walked around. We also went to the International Market Place. There sure is alot to see. It sure is nice to get away from Nam for a while.

I think finger will be okay now. We had a nice little talk. I think everything will be okay now.

We're going to call you tomorrow night. It'll sure be nice to talk to you again. It's been

over seven months.

We'll still go for now.

Your loving son,

David
