Dear Mom & Dad,

I guess I will write you a few lines tonight. I leave at 7 in the morning. It's been nice being here. At least I feel better now.

Make sure Ginger shows you all the pictures. There's some of Viet-Nam & then the ones we took here. She's got all the negatives too. We really had a great time here. We ate one night for \$25.00. They have some real nice places around here.

Well when I get back I'll just have 4 months & days left. I'll sure be glad when I get back home. I can't wait to see Shane. We bought him a football.

I hope you'll like the stuff we got you. Mom did you?

Ruby got your's lets we sent? If
not tell Ginger so she can get our
money back. or have them delivered.
Well I guess I'll go for now

Your loving son,

David
