Mr. Sam H. Martin
4003 36th Street, Apt. A
Lubbock, Texas 79413

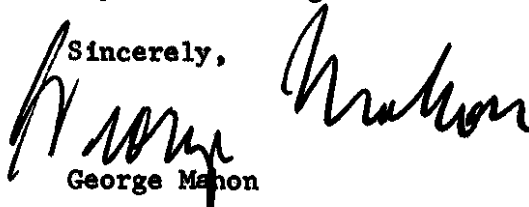

Dear Sam:

At my request, an official of the Army talked to David and told him to secure documentation and submit his request to the nearest military installation for a compassionate reassignment.

Please let me know if David has submitted his request and I will be glad to contact appropriate officials again in an effort to be helpful to him.

Let me hear from you at any time. All good wishes.

Sincerely,

George Mahon
