

AVIATION NEWS.....

As a former member of B Troops' "BANSHEE" "BLUES", 2nd, 17th Cav I am still on the move, locating yet another recon trooper who served with me in Northern I Corps in 1969-1970. **Dietmar Schneider**, a grade school teacher, residing in Racine, Wisconsin, went to Vietnam with the 17th Cavalry when they left Texas. We only live ninety miles from each other, but we haven't been together for over twenty-six years. This is great and I hope the rest of you will either continue, or begin, trying to locate your buddies who shared your many experiences while serving in the military. A Banshee Reunion will be held this coming September in Kokomo, Indiana. For further information, please contact **Larry Allen** (815) 786-6775.
