I am letting you know that the Board of Directors of the Pacific Coast Air Musuem has finally voted on my proposal to return the above Huey to its wartime colors.

The board selected the colors of B Troop, 2/17th Cavalry, 101st Airborne Division. Looks like your campaigning succeeded. I hope to have it repainted sometime this summer. I will send pictures once we get it completed.

We also intend to return the aircraft to flight status. They are a few missing parts, but I hope to have most of them by this weekend and the rest sometime this summer.

I did tell you that I would inform you of the board's decision as soon as I knew it.
