INSTRUCTIONS FOR USE OF AVIATION

SUBCOURSE 75 - MAP READING

1. The seven programmed texts issued with this instruction sheet constitute Aviation Subcourse 75 in which you are or will be, enrolled. Subcourse provides refresher training in tactical map reading and is to be used by Warrant Officer Candidates, as necessary, to maintain proficiency in the subject.
2. During your 13 th. week at Fort Rucker you will receive 69- TAC 11-8 on map reading which you must successfully complete before graduation. The examination will cover the same material presented in Subcourse 75 but will use tactical maps of Vietnam.
3. If you have already completed Subcourse 75, the texts may be used ~~for review; however, prior completion of the subcourse will not exempt you~~ from the examination mentioned in paragraph 2 above.
4. Upon successful completion of the examination you will be given credit for U. S. Army Aviation Subcourse 75 and a proper entry made on your personnel records unless you have already received credit for prior successful completion.
5. It is emphasized that all Warrant Officer Candidates must complete the map examination with a passing grade. Your requirement to study will depend on your individual needs and weaknesses in the various aspects of map reading.
6. If you have problems or questions on map reading you can obtain assistance by calling or visiting the Basic Subjects Committee, Special Subjects Division, Department of Tactics, Building 5112, Phone 2182.
