Mr. Allen Cates

Dear Mr. Cates

We just received your correspondence of February 12, 2004, Volume 4 of the CAT/Air America application, and we wanted to provide a written acknowledgement for your records.

We have not yet reviewed your February 12th submission. We intend to do so in the near future and will send a copy of the correspondence to the AF historian.

As always, we trust this information is helpful.

Sincerely

A handwritten signature in black ink that reads "James D. Johnston". The signature is written in a cursive style with a large, sweeping initial "J".
