You are not Army or Navy,  
officer or enlisted, black, white,  
Hispanic or oriental, Catholic, Jew  
or Protestant, from the north or  
south. Nor are you just a name on  
that black granite wall. You paid  
the ultimate sacrifice, your lives, in  
obedience to your duty. You are  
remembered with reverence.

You 2624 soldiers of the 2<sup>nd</sup>  
Brigade, 9<sup>th</sup> Infantry Division and  
the 113 sailors of Task Force 117  
who lost your lives...you were not  
just friends or acquaintances, nor  
were you just squad members or  
boat-mates. You were our  
brothers, and because we are all  
family, you may be gone, but not  
forgotten...EVER!!!
