GEORGE BUSH

May 15, 2009
for
June 4, 2009

Barbara and I are happy to have the opportunity to pay our respects to all who are gathered in Dallas for the annual reunion of the Air America Association.

The magnitude of Air America's service in Southeast Asia will never diminish, and the gratitude all Americans owe to those who took part in the countless important and dangerous missions should remain just as constant. These were a special group of patriots who pledged their very lives to defend the cause of freedom. Time and again throughout our Nation's history, the preservation of our way of life has depended on the vigilance, the bravery, and the dedication of individuals such as these.

As a Navy man and a former Commander-in-Chief, I salute each of you for taking up the torch of freedom and answering your country's call to duty. I also join you in remembering those who made the ultimate sacrifice for freedom. All Americans owe them a lasting debt of gratitude.

Best wishes for a wonderful gathering.

Sincerely,

A handwritten signature in black ink, appearing to read "G. W. Bush". The signature is written in a cursive style with a large, stylized "G" and "B".
