J. C. Campbell

Dear J. C.

Thank you for giving us the opportunity to work with you on the plans for the U.S.S. Frank E. Evans reunion.

We can provide color group photographs 10X13 inch, delivered by mail, at a cost of \$15.00 per print ordered and the video tape at a cost of \$29.95 delivered. That is same prices that you paid last year.

The plan for the video is to have a segment at the start of the tape giving a history of the Frank E. Evans. This would be a voice narrative with the written narrative scrolling up the screen simultaneously over a background of photographs of the ship in action. Any home movie film available could also be used.

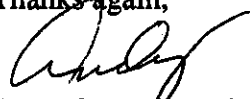

The next segment of the video will be on Granbury and show things and places available for people to see and do in Granbury.

The first two segments of the video will be done and be available to be viewed by persons attending the reunion.

The final segment of the video will be made at the reunion and will consist of interviews with persons attending the reunion and of activities at the reunion.

All of the video work will be done with our broadcast quality cameras and equipment that we use in our production of the work we do for television.

Thanks again,

Andy & Mark Rash
