Dear Shipmates,

The year is flying by and before you know it we will be together for the Second Annual Frank E. Evans Reunion. That is if you guys get your reservations in soon! Don't wait any longer, just return your reservations with a check. You also need to call in your choice of lodging so you can get the rooms of your choice. If by chance you have already sent in your reservations, than the above part of this letter is not meant for you, so please disregard.

Enclosed you will find two bumper stickers that need to be displayed on your auto, truck, bicycle or any sort of thing that moves to make the public aware of the Evans. "Nick" has one on his travel trailer and has had some response from it. My brother saw one on the back of a car in the Dallas area, but could not catch up to see who was in the car. The driver was going FLANK speed. So when you get these stickers, use them...and we can send more if needed!

I am trying to get hat prices to go with the sweat and T-shirt prices that I quoted in the last letter. We think we can get a good hat with four (4) color imprint for about \$6.50 or so. If we can work a better deal , we will.

I have received a few orders for sweat and T-shirts but I do need to hear from the rest of you if you are interested in getting any kind of shirt. I don't want to order for just 2 or 3 now. For those who have sent your money for shirts, I have it filed and when we get some answers from the rest of the guys we will order for everyone.

AGAIN, please make your reservations "SOON". Call for your room reservations and at the same time send me your completed registration sheet so we will have a better idea of the total people we need to prepare for come October.

Sincerely,

J. C. Campbell
