Our 1992 reunion is over, but was considered a roaring success. Now we are making plans for a 1993 reunion! This will be in Granbury, Texas October 1, 2 & 3. If you missed the 1992 reunion, be sure you don't miss the '93 reunion because you don't know what joy it is to see old shipmates.

It is dues and renewal time. At the '92 reunion we voted to have dues due the first of the year.

Enclosed is a copy of the roster that we have. This includes everyone, even those we didn't hear back from. Those we don't hear from this time will be taken off the roster.

Below is a copy of the information we sent to VFW Magazine and various publications. Newspapers seem to get a better response than anything else we have used. If you will, take this to your local newspaper and see if they will print it in one of their columns. You would be surprised who will read it.

Be thinking of where you want to have our next reunion. At this business meeting we will decide where our next meeting will be and elect a new slate of officers. These two reunions have been held in a central location we thought to be best for everyone concerned. No one had to travel to far.

Our coordinator, Carla Bandera, will send complete information from Granbury in the next month or two. This will include information about reservations and cost for this next reunion.

Look forward to seeing you at the reunion!

The ad should read as follows:
