Dear Shipmates,

The Executive Director of the Granbury Convention & Visitors Bureau, Carla Bandera has prepared this packet of information for your reading pleasure. It should contain all the information you can possibly need in order to acquaint yourself with the City of Granbury for our reunion in October.

We are using Rash Video, a professional video company who has some very interesting ideas for doing our reunion video this year. For those who will not be able to attend the October reunion, the video should be very informative as to what happened in the business meetings as well as the fun times. The total cost of the video mailed to everyone will be the same as last year, \$29.95. If anyone has any 8MM film or photos of the Evans that we can use in the video presentation, please let us know pretty soon.

I can order sweat shirts, long sleeve and short sleeve T-shirts for all who would like to have them. The ships crest (as it appears on this letter-head) is the main focal point on the front of the shirts. It is about 12 inches high and 11 wide, four (4) color as you see it. On the left arm of the sweat shirts and the long sleeve T-shirts the words REUNION 93 are in large letters with smaller letters that read Oct. 1-3, 1993 - Granbury, Texas. The letters are black in color and we can get any size shirts that you desire. The cost of the shirts are as follow:

Sweat Shirts	\$12.75
Long Sleeve T-Shirts	\$10.75
Short Sleeve T-Shirts	\$8.75

A cost of \$1.00 should be added for each X above the XL size. If you want a 3X, \$2.00 should be added to the above cost. For two shirts, the cost for shipping will be \$4.75. If you are interested in getting the shirts before the reunion to wear on the way to Granbury, please let me know. I also have a few of the T-shirts left from last fall's reunion if anyone is interested in purchasing a shirt.

We are looking into the cost, quality and quantity of caps. If we have enough interest in them, we will have prices available by the time we hear from you! If you have questions or comments that you need answered please call Carla at the Convention & Visitors Bureau number - 1-800-950-2212. Hope to hear from you soon with your reservations for your upcoming visit with the "reunion gang" in October.

Sincerely,

J. C. Campbell
