August 2, 1993

Dear Shipmates,

As you are aware July has come and gone and I still have not heard from a "bunch" of you guys and gals. I stopped by The Lodge of Granbury Sunday the 25th to check on the number of reservations. They have 15 registered as of this time, but they have set aside all of The Lodge for the reunion. That is, if you don't wait till the last minuite to call. So if you are one of those who has put off making your reservations, DO IT NOW.

Enclosed you will find another bumper sticker in case you need one. We had them made so we might as well use them. If you need more, please let me know. It pays to advertise.

I have had a few orders for caps, T-shirts and sweat shirts, but I need to make sure that everyone has the opportunity to get what they want because I will not order anymore before the reunion. I get a better price break if I order them all at one time. If you have or have not paid for your T-shirt order, don't fret, I have you marked as such.

As I wrote to you earlier, we have a professional TV Video company working on a tape of the reunion. He asked that if you had any pictures, either still or movie type, to please send them so that they might incorporate them into the video. They will be sure to return them to you at the reunion. If you have anything else that you feel might be used in the video please let me know. The address to send to is Rash Video Productions, 419 West Bridge Street, Granbury, Texas 76048. Phone number is (817) 579-1500 or FAX (817) 573-5809.

We are looking at incorporating the U.S.S. Frank E. Evans Reunion so that we can legally collect dues with which to operate. So when we get together in October, be prepared to give your input concerning this matter. If any of you have comments or advice in this business item, please let us use you expertise. We are considering a Texas Incorporation because that is what we are more familiar with.

AGAIN, please make your reservations "SOON". Call for your room reservations and at the same time send me your completed registration sheet so we will have a better idea of the total people we need to prepare for come October.

I don't know about you guys, but I am really getting PRIMED for this reunion. It will be good to see everyone again and to meet new "shipmates".

Sincerely,

J. C. Campbell

P.S. Remember, if you have any questions please call Carla or Valerie at the Granbury Convention and Visitors Bureau Toll Free number 1-800 950 2212.
