President
USS Frank E Evans Association , Inc.

Dear JC,

Thank you for your very warm reception of Bob Winston at the 7th Annual reunion of the USS Frank E Evans Association held on the 27 - 30 August 1998. Bob and his wife Chris were honoured to have been so well received and they had such a great time.

At our recent executive meeting Bob gave his report together with the proposed itinerary for the reunion in Sydney next year. We are presently working on the detail of the proposal and I have another meeting of the team next month to further develop the details.

As it presently stands I have no difficulty with the outline of the visits proposed.

It is my hope that all visiting members of your Association can be billeted with members of our Association for their stay in Sydney. To this end my wife Gloria and I would be pleased if you and your wife would stay with us .

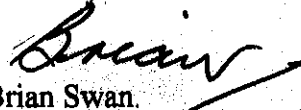

I have directed that a questionnaire be sent to our membership to ascertain who is able to billet and I will advise you as soon as this information is to hand.

JC there will be some costs involved in tours and coach hire but I will research these and advise nearer the date. I hope that before Christmas most of these details will be available.

I am presently making arrangements to upgrade my computer and get connected to the internet and E-mail. This should allow more direct and personal communications.

I'll sign off for now wishing you , your wife and family , and members of your Association good health and happiness.

Yours aye

Brian Swan.
