

10/20/94

Dear J.C, Nick, Ken, and Tom:

I hope the U.S.S. Frank E. Evans reunion is going great. Danny will do a wonderful job with the video. He is prepared to take group and individual photographs if you would like him to. If you decide to do group photographs, the cost will be \$15 for an 11X14 color print of just the crew and \$15 for an 11X14 color print of the crew and their wives.

Danny has the 3 videos Ken requested that contain the 1992 reunion, the 1993 reunion and the collision re-enactment. One of them is for Tommy Anthony and the other 2 are for Ken. I have sent an additional 6 of these videos for sale. The cost for one of these tapes is \$75.00. This will be the only time this particular video is available so please announce that any 6 people who wish to buy this tape can get it from Danny Wilson at the reunion.

In addition, please announce the following to all participants:

- \*Videos of the 1994 Las Vegas Reunion can be ordered for \$35.00
- \*Videos of the 1993 Granbury Reunion can be ordered for \$35.00
- \*A video containing both the 1993 and 1994 reunions plus the Collision re-enactment can be ordered for \$75.00
- \*Everyone can get an order form from Danny at the reunion. They can either give Danny their order forms before they go home along with cash, check, or credit card info, or they can mail the order form in (envelopes will be provided).

Thanks again for the opportunity to serve you. Sorry I had to miss it.

Sincerely,

Mark Rash
