OFFICIAL BUSINESS

J C CAMPBELL

Dear Reunion Coordinator,

Good luck with your reunion efforts. Coordinating such an important event is time consuming but most rewarding. I wish you total success.

I know you're busy but hope you'll be willing to help me by posting and circulating copies of my letter during your gathering. I'm sure you will be in contact with many people that will be interested in our project.

Thank you for your consideration.

Good Luck,

A handwritten signature in dark ink, appearing to read 'L. S. Curling', written in a cursive style.

L. S. Curling

Dear Fellow Mustang,

The Director, Officer Training School, Naval Aviation Schools Command, CDR Ron Jaeh/6310, has initiated a program to pay tribute to the LDO/CWO community. Specifically, he stimulated the development of a detailed display that will depict the history of our proud, MUSTANG heritage.

As the Project Officer I'm very interested in reaching all members of our community -- active and retired. I need your help "networking".

It is envisioned that the display will include personal and profession narrative articles, uniform items, photographs, news clippings, historic literature, plaques, mugs, decals, hats, patches, and former warrant officer mess memorabilia. Anything that will provide visual representative of the rich histories of these two outstanding programs will be accepted for display. All donated items will be safeguarded in secure display areas and cabinets.

I am confident, that with your support, this project will be a tremendous success. I know that most active duty and all retirees have a "shoe-box" full of old items that warrant consideration for contribution. Of course, turning loose of some of those items may be a difficult decision but I hope you'll agree that they will serve us best if put on public display for all to enjoy. Naturally, we intend to give contribution credit by labeling the items with appropriate information about the donor.

Please "PASS THE WORD" and contact me directly:
