

USS Frank E. Evans Reunion
DD 754

J. C Campbell

July 5, 1994

Dear Shipmates

NOTICE

Please **NOTE** this change - I gave the wrong phone number for the President Travel Agency in Dallas. If you are interested please call Julie Bailey at 1-800-242-6571. She can help get your airline reservations for the reunion. Sorry about the mix up!

Ken Adams wanted me to remind everyone that there is a cutoff date for making reservations at the **HACIENDA Hotel - Casino in Las Vegas**. If your reservations are not made by the **21st of September**, there is a chance that you may not get reservations at this hotel for the reunion. It only takes a phone call to get that done.

(1-800-634-6713)

When you do make reservations, please do so under the Frank E. Evans Reunion so that we get credit for the number of rooms that we contracted for. Also please fill out the registration forms and send back to Ken along with a check for the appropriated activities. Time is getting short for the detail planning we want to do to make sure a good time will be had by all on October 21-23, 1994. In order for that to be accomplished, we need a LITTLE time. So get out the pen and do your thing and get the paper work in now! Thanks !!!!! I also want to re-remind everyone about sending in their annual dues! If you have not sent your \$20.00 please do so now. For those who have responded you will find an address list enclosed of all known shipmates. The reason I have not sent everyone the list is it costs about \$.50 extra for each list that I send out and I need to know if the addresses are correct. So, if you respond to this letter with dues and verification of your address I will then send you the current updated list. Also we are still taking up a collection for Mark Rash to come video our reunion. So send in a little extra to help pay travel for Mark. I am pleased with the good response from sailors and sailor families whom we have not heard from previously. By all indications our third reunion will be bigger and better than before. I have also had two requests for registration forms from Australia. These sailors are very interested in meeting us in Las Vegas.

1995 REUNION

Also, if anyone is interested in taking the lead for next years reunion, please have the paperwork lined up so that you can give a brief talk for the place you think we should have the 4th reunion. It **does** take a lot of work to make this thing a success. So, call your local visitors' bureau and say you want it in your city. If you can get the support lined up, then ask them for the material necessary to make a presentation to our group in October. The material should include the visitors' bureau part in hosting the event as well as all cost related items. The floor will be open to all who wants to make a presentation, so come prepared.

Thanks,

J. C. Campbell
