

USS Frank E. Evans Reunion
DD 754

J. C Campbell

26 April, 1995

Dear Shipmates,

It was good to hear from each of you and thanks for sending in your association dues. That makes it easier to get the mailings and other things done. Enclosed you will find the latest addition of the Picture Yearbook for 1994. It was a suggestion of Ken Adams that we do this. It certainly does help me to remember names and faces. We want to expand on the information that would be beneficial in learning and remember more about those we see once a year. So if you have suggestions please let me or Ken hear from you. Also if you know of a shipmate that has not sent in his dues, ask him to do so and then we will mail out his picture book. We sent out the mailing list in hopes that someone would recognize a familiar name and thereby help our association to grow in membership. If an address needs to be changed, let us know.

If you have not already make reservations for the reunion in Charleston this year please don't wait to long. We want to have a larger group this year than last. I have heard from the Australians and some say they are making plans to attend. If they can come from "down-under" surely we should make ever effort to get there. Send Ken your reservations soon, and call the hotel to make your reservations at The Holiday Inn Charleston/Mt. Pleasant. Their number is 1-800-290-4004. CALL NOW!!!!!!

By the way should you look at the picture book cover, you will see I forgot to put an S on EVANS. I just did not check my spelling very good on that one. Sorry about that!

Again, good to hear from you!

Sincerely,
J. C. Campbell
