Mr. Dan Robert,

I want to take this opportunity to let you know that you have a STAFF of professionals in your employment. I speak from first hand knowledge!

The U.S.S. Frank E. Evans Association had the unique experience of having our last reunion at your hotel this September, 6th thru the 9th, 1995. We had approximately 110 members, wives and other friends and families. At NO time did I hear one complaint from anyone connected with our reunion about service.

Starting with Linda Beckman, Priscilla on the front desk, Paul who worked so hard making our meal time a sucess, and Tony, who made each morning easier to start in the restrauant. The folks who did the serving each night and the bartender was outstanding in their efforts. Everyone had the attitude that each of our members were the most important person in Mount Pleasant. We really appreciate every one and know that they probably do this for every guest at your hotel, but I wanted to make a special point by letting you know that we believe you are very fortunate to have such employees. Also please thank Megan O'Hara, Catering Sales Manager.

You can rest assured that our next reunion in Corpus Christi has a HIGH benchmark to achieve if it is to be as good as the one we just completed in Mount Pleasant.

Please pass my Best Regards along to each of the people who had a part in this event and have set a high standard for our future reunions.

Sincerely,

J. C. Campbell

PS: Please tell Tony that I do not think she is a "trouble Maker" after all!
