Mark,  
would you please see that your mother and father get this.

Hi Chief and Susie,

We got home from Niobrara last Tuesday evening and have been trying to get caught up since then. We had a great turn out at Niobrara with a total of 16 survivors and one crew member from 1950-53 in attendance. Including our wives, we had a total of 32 people in attendance from all over the US. We missed you two, but our thoughts and prayers were with you. We had a special moment for Mike during the meeting and hope our prayers helped. Everyone was glad to hear that Mike is progressing with his therapy. When you feel up for a visit, we will try to get down to see you and share some photos with you.

Mrs. Sage and the whole town was very nice. They made us feel at home and very comfortable with them. They had approximately 800 to 1000 people show up for the rededication ceremonies. It was very emotional. <BR>

Please continue to get well and take care.

Lest We Forget.
