

MEMORANDUM

TO: E.R. Zumwalt, Jr.
FROM: Ann Callison
DATE: September 16, 1993
SUBJ: Agent Orange Notes

1. George Claxton.

He knows a Vietnam veteran who was heavily exposed to Agent Orange. He has Hodgkins Disease, which has been treated and has come back 9 times. He now has been diagnosed with non-Hodgkins also. He says this is the only case of both diseases that he knows of besides your son. His name is Gary Taggart //
for your information.

2. Shannon Puglia.

She has been asked to speak at the Veterans of the Vietnam War Convention during the Veterans' Day weekend. She called to make sure that it was okay to say she is part of your Council. I told her that it was.
