Mr. Don Braksick

Dear Mr. Braksick:

Thank you for your letter of 21 June. Regrettably, the Agent Orange Coordinating Council runs without funds (exclusively at my expense) and we do not have money available for grants.

You might want to try with some of your local veterans organizations, although I realize that's also a long shot.

All best wishes.

Sincerely,

Admiral E.R. Zumwalt, Jr., USN (Ret.)
