

MILITARY ORDER OF THE PURPLE HEART

CHARTERED BY CONGRESS

NATIONAL HEADQUARTERS
5413-B BACKLICK ROAD
SPRINGFIELD, VA 22151-3960
(703) 642-5360 (FTS-756-3539)

OFFICE OF: National Service Director

JUL 8 1991

June 25, 1991

E. R. Zumwalt, Jr.

Dear Admiral,

Your letters of June 17, and April 6, 1991 have been referred to this office for action.

We would be very pleased to assist, and be a part of the Agent Orange Coordinating Council.

Your April letter is right on target regarding the gap between now and the time the National Academy of Science will be prepared to provide input to the Secretary. As you have so aptly stated, Vietnam veterans, and their families continue to suffer and die from the exposure to Agent Orange, and dioxin contamination.

The representative(s) to the Council from the Military Order of the Purple Heart will be the following:

Primary: Mr. Charles L. McKee, Assistant
National Service Director

Alternate: Mr. Gregory A. Bresser,
National Service Director

I look forward to the meeting of September 9, 1991.

Yours in Patriotism,

Gregory A. Bresser,
National Service Director
