To: Priscilla Barry,

Dear Priscilla,

I regret that I cannot attend the September 24, 1998 meeting of the AOCC. However, I would appreciate if you would send any information to me from the meeting.

Dr. Paul Scipione, a Commission member, recently completed a "Physician's Survey" related to doctors recognition of illnesses in Vietnam veterans. Upon final printing of the results, we will forward them to Admiral Zumwalt and the AOCC.

Sincerely,

Michael Eckstein, Member
New Jersey Agent Orange Commission
