COMMITTEE ON VETERANS' AFFAIRS

WASHINGTON, DC 20510-6375

April 10, 1995

E. R. Zumwalt Jr.
Admiral, USN (Ret.)

all day

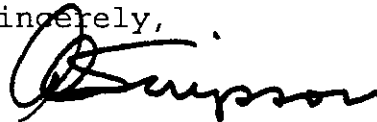

Dear Bud:

Thank you for your letter describing the eleven research objectives you would recommend for researchers working with the population in Vietnam. I appreciate your continuing interest in, and actions on behalf of, the men and women who served in Vietnam, both while you were in uniform and now, while you are a veteran.

Your insights are valuable to me and your suggestions important. I am confident they will have an impact when the Committee next revisits the issues raised by the use of herbicides in Vietnam. I will be back in touch with you prior to hearings on these issues.

Thank you for keeping in touch.

Sincerely,

Alan K. Simpson
Chairman
