RE: Your Memo Of 18th August, 1993.

Dear Admiral Zumwalt;

I hope that this letter finds you and your family in good health.

My letter today is in reference to your Memo's of 12th August, 1993, and of 18th August, 1993.

12th August, 1993: I am planning on being in the attendance for the next meeting. If something comes up where I can not attend, I will advise.

18th August, 1993: This letter will serve as a notice as to be signed on to the "Amicus-Curiae-Brief" with regards to the Ivy Case. (Please Let Me Know Right Away What Will Be Needed From Me). The VV/AOHS will do it.

Also on 30th July, 1993, I sent to you "Comments With Regards To Decision Of Judge Van Graafeiland On 24th June, 1993", with regards to the Ivy Case. I hope that your office received it.

RE: YOUR RECENT MEMOS

I think that with the recent release of the N.A.S. report, the Ivy Case could take a turn for the better, if we keep the pressure on.

Keep in touch, and Welcome Home....

With the best interest of the Vietnam Veteran, their families, and those who STILL feel the effects of exposure to herbicides in mind,

I remain;

A handwritten signature in black ink that reads "James H. Burdge, Sr." The signature is written in a cursive style with a large, looping initial "J".
