Eatontown, NJ 07724

Dear Jim:

I don't have any recollection one way or the other about Occidental having been involved in herbicides.

The problem with having the AOCC look into it is that the the staff of the AOCC is just me and an assistant and we've got so much on our plate that it's not feasible.

If you learn anything to the contrary about Occidental, let me know.

Sincerely,

E. R. Zumwalt, Jr.
