Agent Orange Coordinating Council

Re: Enclosed Photo-Copy Of Letter.

Dear Admiral Zumwalt;

Enclosed please find a photo-copy of a letter that I had received from Congressman William J. Hughes, Chairman of the Subcommittee On Intellectual Property And Judicial Administration.

I would guess that this letter has something to do with the letter that I had sent to Congressman Hughes, and all of the members of his Subcommittee, which I had sent a copy to you.

You may distribute the enclosed to the membership of the Agent Orange Coordinating Council.

With the best interest of the Vietnam Veteran, their families, and those who STILL feel the effects of exposure to herbicides in mind,

I remain;

James H. Burdge, Sr.

Subcommittee on Civil and Constitutional Rights
Committee on the Judiciary

Washington, D.C. 20515

Dear ~~Congressman~~ *Don* Edwards:

COPY

This is to acknowledge your letter of June 17, 1992 regarding the class action suit in the Agent Orange situation. I certainly agree that the effects of Agent Orange on our veterans is a matter of national concern and the various ramifications of their class action suit are complex. You can be assured that I will give this matter my full attention in the future, although time constraints in this Congress will limit our ability to adequately address the problem.

With warm regards,

Sincerely,

Bill

William J. Hughes
Chairman
Subcommittee on Intellectual Property
and Judicial Administration
