Dear George:

I think your draft letter is fine. It ought to go to your Michigan senator and your congressmen; but it also importantly ought to go to the following: Senators Hatch and Biden (senior republican and senior democrat on the Committee on the Judiciary) and to Congressmen Hyde and Conyers (senior republican and senior democrat on the House Committee on the Judiciary).

I have sent a copy of the study of women military members to the IOM Panel.

Many thanks for your continued support.

Sincerely,

E. R. Zumwalt, Jr.
Admiral, USN (Ret.)
